

Italian kitchen company Modulnova is known for its distinctive minimalist style using exceptional materials and craftsmanship. They excel in offering a wide range of high-performance materials and finishes that are supremely elegant and integrate into the home with precision workmanship and architectural design. The clean lines and minimalism of Modulnova's designs give the sense of openness, calm and warmth through the natural materials they employ. Modulnova is situated in Avenida Salamanca 12 in San Pedro de Alc ntara (www.modulnovamarbella.com).
